Advertisement for Junior Research Fellow (JRF) Position

Applications are invited from eligible candidates for a Junior Research Fellow (JRF) Position at BITS Pilani, India to work in a research project sponsored by C-Zentrics Pvt. Ltd, Gurgaon (India).

BENEFITS OF THE SCHOLARSHIP

- Project fellowship: INR 31,000 – 35,000 per month.
- The selected candidate can pursue his Doctoral study at BITS Pilani after clearing the institutional admission procedures.

PROJECT DETAILS

Project title: **Multilingual Conversational AI to Enhance Customer Experience**

Project Team: Dr. Yashvardhan Sharma (PI), Dr. Kamlesh Tiwari (Co-PI), Dr. Ashutosh Bhatia (Co-PI)

Duration of the project : **3 Years**

MINIMUM AND DESIRABLE QUALIFICATIONS

B.E/B.Tech/M.E/M.Tech in Computer Science (with dissertation/thesis) or equivalent degree with at least 60% or equivalent marks. The candidate is expected to have foundational understanding of machine learning and natural language processing. The GATE qualified candidates will be given preference, however it is not mandatory. Prior research (M.Tech thesis/project) experience and having publications in reputed peer reviewed journals/conferences will give additional advantage. You should be proficient in programming languages like C or Python and other Data Analytics Tools.

HOW TO APPLY
